

St. Columba Still Has Fun!

We have had to become quite creative during this time of Covid 19, celebrating the only way we know how, with lots of cool props! Miss Betty Walker had an BIG surprise when her friends and family surprised her with a drive through birthday celebration!

The Prayer of St. Francis

Lord, make me an instrument of your peace
Where there is hatred, let me sow love
Where there is injury, pardon
Where there is doubt, faith
Where there is despair, hope
Where there is darkness, light
And where there is sadness, joy
O Divine Master, grant that I may
Not so much seek to be consoled as to console
To be understood, as to understand
To be loved, as to love
For it is in giving that we receive
And it's in pardoning that we are pardoned
And it's in dying that we are born to Eternal Life
Amen

Can you see through the wall ? We are ready for the new beams to be installed!

Thanks to Hurricane Irma, the roof and the beams will be replaced soon. The beams are not only going to be replaced but we will also have 5 additional beams installed. The beams along with the new metal roof will help to ensure that for the next lifetime St. Columba will be able to continue living out its mission to be The Hands & Feet of Christ in all that we do.
