

Check out our cute Hammock House kids playing while practicing social distancing.

As the pandemic progresses, our Hammock House after school program continues to provide critical help to allow our kids to re-engage, re-connect, and thrive. At The Hammock House, kids get time with friends, hands-on learning, creative enrichment activities, and a chance to lead, explore and create without stress. We are confident we will get through this crisis together, but our kids will need extra support to emerge from this crisis strong, resilient, and hopeful - and we'll be there to help.

Thanks to the expert engineering skills of our very own Tom Schwiebert, we were able to pass out candy to the local children.

The annual Trick or Treat event is hosted at Gulfside Village where our [Nearly New Thrift Shop](#) is located. This year we may have had fewer children but all were amazed to watch the candy fly from the shoot.

Tons of fun and candy had by all.
Thank you to everyone who helped and to
all the candy donations!

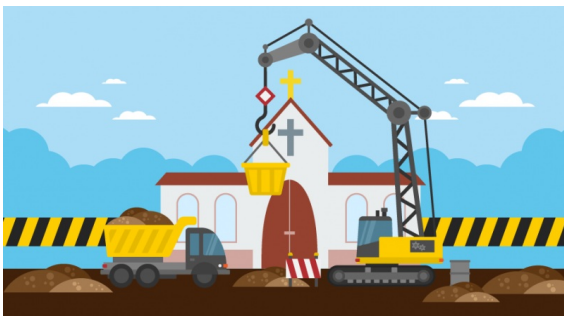

Thank You!

Just a Reminder... The 11am Contemporary Sunday Service is Happening! and we do mean happening....

The Contemporary Service uses a wonderful powerpoint making it easy to follow along and beautiful music. Featuring Rob on vocals and guitar and Robin playing drums. All are welcome to worship with us!

Weekly Construction Pics

This cute church is painted St. Columba pink, the same color that our beautiful church will be painted. In contrast, our roof will be a strong green metal roof. We have an amazing building team meeting every week to hammer out the very important details of this intense construction process. These renovations & repairs will help to ensure that for its next lifetime, St. Columba will be able to continue living out its mission to be *The Hands & Feet of Christ in all that we do.*
