

The Christmas Bazaar is coming!

While it will not be in the parish hall and our tree may have grown too tall for his costume, the bazaar will go on! Our plan is to have the bazaar spread throughout the parking lot and under the Abbey using socially distanced tents. We have lots of beautiful Christmas items just waiting to be seen! If you are a vendor, have something to sell or know someone who does-we have a spot for them! If you love our raffle baskets, don't worry, this year we will have them located at the Nearly New Furniture Shop. We will also have lot's of baskets up for sale at both shops! Easy Christmas gifts!

Just a Reminder... The 11am Contemporary Sunday Service is Happening! and we do mean happening....

The Contemporary Service uses a wonderful powerpoint, making it easy to follow along and beautiful contemporary music.

All are welcome to worship with us!

Weekly Construction Pics

As we move forward with our construction plans, we find ourselves in the market to buy a "big tent". We would love to have some help researching exactly which tent to buy and then of course some strong volunteers to help us set it up and secure it in a safe manner.

The renovations & repairs will help to ensure that for its next lifetime, St.

Columba will be able to continue living out its mission to be *The Hands & Feet of Christ in all that we do.*

Advent Word is free.

Quiet is free.

And, more important, the grace of Jesus is free.
