Just a Reminder... Stop by The Incredible Fruit Stand

Every Saturday 8:30am-till they sell out, Peter & Marie, along with some help from local volunteers, set up tents and offer as much delicious produce as possible at incredibly affordable prices. Right at the corner of the church grounds on 52nd street. Friends and neighbors catch up on happenings and local goings-on-socially distanced & wearing masks now in this time of Covid. They have recently enlisted the help and talent of their good friend Chef Frankie, who whips up the most amazing baked goods. The fruit stand is also the picturesque hub of The Center of Peace at St. Columba. Collecting prayers and blessings for peace in the prayer bucket and raising funds for the annual Peace Scholarships. Drive by and Marie might just share her famous okra recipe with you!

All are welcome to stop by!

Weekly Construction Pics

We are patiently waiting for our building permit to be approved by the City of Marathon. We feel like it is close and that construction will begin soon... The renovations & repairs will help to ensure that for its next lifetime, St. Columba will be able to continue living out its mission to be *The Hands & Feet of Christ in all that we do.*
