St. Columba will be *opening their hearts* to the community on **Easter Sunday** as all are welcomed into the renewed sanctuary.

By special approval, we will be allowed to worship in our sanctuary on the most Holy of days, **Easter Sunday**. We hope everyone is able to join us as we walk through those doors and are embraced by the sanctity of the space.

St. Columba has truly lived the message that the *church* is not a building.

Together we have been the *church*, in the garden, on the pavilion, and under the Abbey. Together in community, we are the *church*.

We will continue to *Open our Hearts* to the Lord and the community of Marathon as we borrow our sacred place for worship and prayer until it can finally be ours.

The resilience and generosity of our St. Columba community are evident every day as we are faced with new challenges.

It is our firm conviction that with support, God will see us through to the end. While the road to recovery has not been easy, we continue to have FAITH.

Thank you all for your support and your continued prayers!
