Year end Giving @ St. Columba

Dear Friends,

As we approach the sacred season of Christmas and celebrate the birth of the Christ Child and the rebirth of hope for the world I am writing to say Merry Christmas and Thank You for your generosity to the mission of St. Columba.

That unfailing support of the mission and the hard work and prayer that sustains it are essential to who we are as a congregation.

With that mission in mind, if you are looking for additional ways to give at the end of the year, I would like to invite you to consider the many missions of St. Columba.

Your end-of-year gift will go right to work in our community because we do not hold back. Your designated gift could go toward helping The Hammock House provide free programming for the children, it could go toward giving us a head start on The 2025 Florida Keys Celtic Festival, it could help us continue to pay down the mortgage on The Abbey,

**purchase a truck for our stores or help us with the repairs for
The Apartments @ 1655 Overseas Highway.
We continue to work our way toward a resolution to the
concrete damage at the apartments.
If you are considering an end-of-year, Thank You for
considering St. Columba and our many missions.**
